Release #NC03-21
September 21, 2022
FOR IMMEDIATE RELEASE

Parts of Lambs Creek Recreation Area Closed to Hunting on Three Saturdays this Fall

Tioga County - The Pennsylvania Game Commission has been informed that the U.S. Army Corps of Engineers will temporarily close a part of the Lambs Creek Recreation Area to hunting for the following dates:

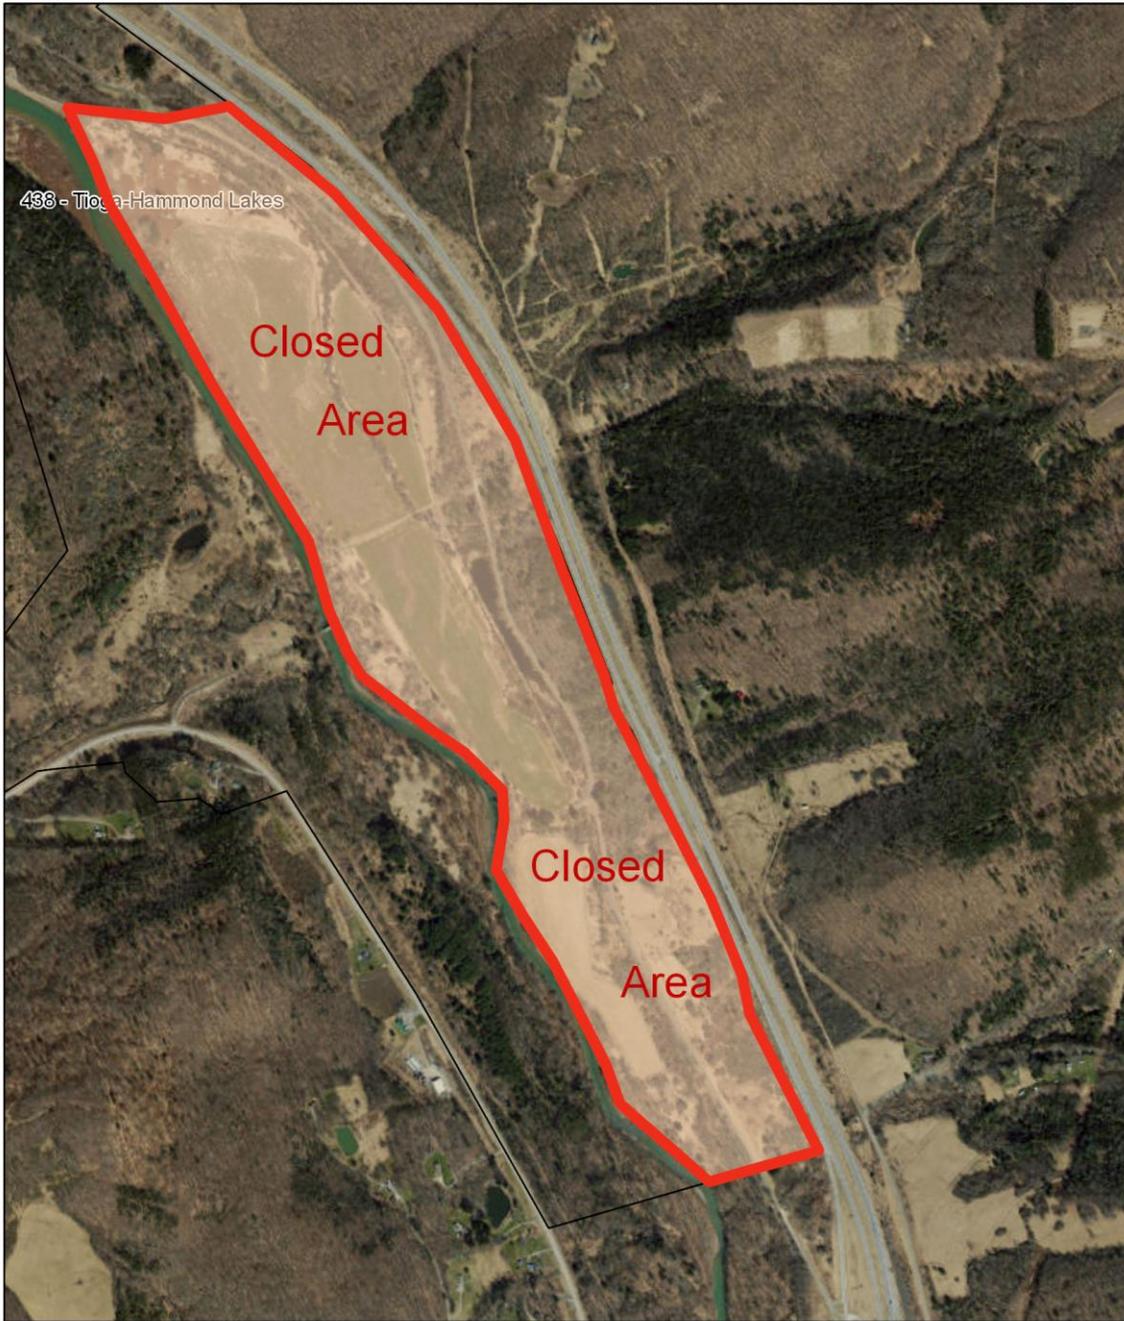

Saturday, October 8, 2022
Saturday, November 5, 2022
Saturday, November 19, 2022

The closures allow for Mansfield University to conduct NCAA Cross Country meets in the Lambs Creek Recreation Area. Each closure is one day only and limited to the Lambs Creek Recreation Area. The closed section includes the area from the Lambs Creek Recreation Area Boat Launch south to the Route 15 interface just north of Mansfield to include the area east of the Tioga River to Route 15. The boat access and the access road will remain open for boaters using the water access.

The Game Commission **WILL** be stocking pheasants in the area as usual, and hunters are encouraged to utilize the hunting resource outside of the closure dates and area.
